Go Green for Rainforests!

Friday 13th October
Go Green Day 2017

We are working with local charity
Size of Wales to help spread awareness of
their work to tackle climate change and to
fundraise by selling our colouring books,
available in store.

It's easy to take part, from wearing a green
tie to work to taking a green action such as
walking to work or taking public transport,
Size of Wales can help you find something that
will work for your company.

Are you ready to Go Green?
Let's get colouring!
